MAI-CoC TTA Activities

Site-Specific Visits

- Consultation face to face with GPO, CIHS and subject matter experts
- Provide TTA, training, planning
- CIHS will coordinate in conjunction with GPO and grantee, based on timing, need and readiness

Site-Specific Email and Telephonic TTA

- Consultation by phone with access to content expertise. Initiated through requests to GPO to address specific concerns, needs, content areas

Cross-Site TTA - Group Calls and Web-based Meetings

- Role-based affinity group or content-specific group technical assistance
- Cross-site TTA survey will be disseminated soon

How to Access Technical Assistance

- Grantee TTA requests are made through GPOs via email or phone and are triaged to CIHS
- GPOs are engaged and updated as grantees receive TTA

TTA REQUEST PROCESS

1. Discuss TTA needs with your Government Project Officer (GPO).
2. Grantee completes TTA Request and submits to their GPO.
3. Review of request, and clarification with grantee as needed.
4. Approved through MAI-CoC program, a then CIHS TTA coordinator will contact you to begin planning.

SAMHSA-HRSA
Center for Integrated Health Solutions

Communications: MAI-CoC Listserv

- Used to disseminate SAMHSA announcements, AIDS.gov announcements, notices for webinars and conferences, peer-to-peer best practices, and other items on emerging issues in behavioral health, primary care, and HIV services and hepatitis testing and vaccination integration
- Will include up to five grantee staff (*must include the Project Director, Project Coordinator and Project Evaluator and may include partners*)
